LEADING  
WITH STYLE.

A blue BMW 530e sedan is shown from a rear three-quarter view, parked on a dark asphalt road. The car's license plate is 'D MGI 711E'. In the background, there is a modern building with a facade of vertical, perforated metal panels. Several green trees are planted along the sidewalk in front of the building. The scene is brightly lit, suggesting a sunny day.

# HIGHLIGHTS.

Discover even more with the new BMW Products app. Available now, for your smartphone and tablet.

■ Standard equipment    □ Optional equipment

□ The M Sport package gives the vehicle an even sportier touch. In addition to an appearance sharpened by many details in the exterior and interior, the M Sport package guarantees an increase in driving pleasure. The M Sport suspension\* and the M Aerodynamics package for example noticeably optimise the driving dynamics.

□ The Luxury Line shows the elegant side of the vehicle. Elegant design elements made of Chrome high-gloss give the exterior its exclusive appearance. The stylish impression is also present in the interior. Here first-class leather upholstery and high-quality interior trim finishers characterise luxury.

□ Do you want your BMW to be up to date with the latest software? With Remote Software Upgrade\*, your BMW will always be up to date. Upgrades are installed over the air, just as they are for your smartphone. In this way, other functions in your vehicle can also be activated.

□ The comfort seats for driver and front passenger\* include active headrests and can be electrically adjusted in various ways. The top part of the backrest, the backrest width, thigh support and headrest height can be individually adjusted. The equipment package also includes the lumbar support and memory function for the driver and front passenger.

□ BMW Individual high-gloss Shadow Line with extended contents<sup>1</sup> includes equipment features in black: Kidney grille frame and kidney grille slats in black high-gloss and tailpipe trims in Black Chrome.

□ In laser high-beam mode, BMW Laserlight\* illuminates a range of up to 650 m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. Blue accents and the lettering "BMW Laser" in the headlight also underline the technological standards and the sportiness of the vehicle.

□ The high-performance M Sport braking system\* is distinguished by exclusive brake calipers in red high-gloss with M inscription and outstanding braking performance.

□ BMW Live Cockpit Professional\* includes two high-quality displays consisting of a 12.3" Control Display and a fully digital 12.3" instrument display.

□ Why go without the features of your smartphone in your BMW when you can continue operating it as usual? With smartphone integration<sup>2</sup>\*, your vehicle supports Apple CarPlay and Android Auto by means of a wireless connection between your smartphone and the vehicle. This allows you to conveniently use familiar functions and various apps in the vehicle.

□ The Reversing Assistant\* stores the last 50 m of the driven path in forward travel up to 35 km/h, so that it can be retracted if required. You are relieved of the steering work and can concentrate on monitoring the vehicle environment.

□ Wouldn't it be incredible if your BMW was also your personal vehicle expert? Communicate with your vehicle using the BMW Intelligent Personal Assistant\*. Say natural commands to operate numerous vehicle functions. It can also explain topics about your vehicle and helps you to get to know your BMW even better.

□ Driving Assistant Professional<sup>3</sup>\* offers optimum comfort and safety during critical or monotonous traffic situations. Apart from the contents of the Driving Assistant, it also includes Steering and Lane Control Assistant with extended functions, Emergency Stop Assistant and Lane Keeping Assistant with active side collision protection.

<sup>1</sup> Only available for M550i xDrive and M Sport package.  
<sup>2</sup> Smartphone integration is permanently available in the vehicle. It includes Apple CarPlay and Android Auto. Due to possible future technical developments (e.g. of mobile phones),

the usability of the Apple CarPlay or Google Android Auto service cannot be guaranteed permanently. CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google LLC.  
<sup>3</sup> Function may be limited in darkness, fog or bright glare.

\* The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at [www.bmw.com](http://www.bmw.com) or at your BMW Partner.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

Please note that even normal long- or short-term use can lead to unrecoverable upholstery damage. This can be caused in particular by non-colourfast clothing.

Please note that the interior colour depends on the selected upholstery colour.

\* The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary.

# ORIGINAL BMW ACCESSORIES AND BMW M PERFORMANCE PARTS.

Equipment 24 | 25

■ Standard equipment □ Optional equipment ○ Accessories

○ Thanks to the BMW wireless  
charging station universal, the  
smartphone can be charged  
comfortably without a cable –  
even outside the vehicle.

○ In the event of disturbances,  
the highly sensitive full-HD  
camera automatically records  
the situation in front of and  
behind the car.

○ Precisely fitted protection  
against moisture and dirt in the  
front footwell. The black design  
perfectly complements the  
interior.

○ Like a filling station right in  
your own home: With the BMW  
Wallbox Plus, you can charge  
your BMW quickly, reliably and  
conveniently in a few hours.  
You also have the option to  
manage the use of the BMW  
Wallbox Plus with an access  
card.

○ Make a strong statement:  
The carbon fibre M Performance  
front splitters provide optimum  
aerodynamics and highlight  
the vehicle's masculine  
appearance in a highly  
exclusive manner. A unique  
motorsport look for anybody  
who refuses to compromise.

○ Show your style: the frame of the M Performance kidney grille is  
made of hand-crafted premium carbon fibre and the grille consist of  
extra sturdy plastic. A visual highlight at the front of the vehicle for  
an especially elegant, sporty and individual look.

○ The striking carbon-fibre M  
Performance exterior mirror  
caps highlight the vehicle's  
high-tech character, adding an  
individual athletic touch.

○ The M Performance kidney grilles Iconic Glow give the vehicle a  
unique radiance. LED lighting exclusively sets the scene for the BMW  
kidney grille and the zone in front of the vehicle from opening to starting  
and from switching off the ignition to locking the vehicle.

○ Gripping facts: The sport-  
style steering wheel with  
Alcantara-lined grip area  
provides excellent feel and grip  
for a more direct and  
responsive steering feel.

○ 20" M Performance light  
alloy wheels, forged, in Bicolor  
Black matt, milled and  
gloss-lathed on the visible side.  
Complete wheel set with  
run-flat tyres.

The figures for driving performance, fuel consumption and carbon dioxide emissions refer to vehicles with standard transmission.

<sup>1)</sup> The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90 % full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

<sup>2)</sup> The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

<sup>3)</sup> Performance data of petrol engines apply to vehicles using RON 910 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 715/2007. Unleaded RON 91 and higher with a maximum ethanol content of 10 % (E10) may also be used. BMW recommends RON 95 unleaded premium grade fuel.

## ALL BMW MODELS IN ONE APP.

DOWNLOAD THE **BMW Products** APP NOW AND  
DISCOVER THE PLEASURE OF DRIVING.

### **BMW 530e SEDAN WITH M SPORT PACKAGE:**

BMW TwinPower Turbo 4-cylinder petrol engine + eDrive electric motor, 215 kW (292 hp) system output, 20" M light alloy wheels Y-spoke style 846 M Bicolour Jet Black with mixed tyres, exterior colour in Phytonic Blue metallic, BMW Laserlight, instrument panel in Sensatec, comfort seats in exclusive leather 'Nappa' Ivory White exclusive stitching/leather piping in contrast Black, interior trim finishers Aluminium Rhombicle Smoke Grey with highlight trim finisher Pearl Chrome.

This brochure describes the model, features and configuration options in vehicles available to the international/global market. There may be deviations from the features and configuration options described in this brochure, in terms of the standard and optional equipment for the model specified for the South African market. For more precise information about country-specific vehicle versions, please contact your local BMW dealership or visit [www.bmw.co.za](http://www.bmw.co.za). Subject to change in design and equipment. E&OE.

### **BMW RECYCLING**

BMW minimizes the impact on the environment over the entire life of a vehicle - from manufacturing to use and service to recycling. The foundation stone for its environmentally sound recycling is already laid during the development and production of every new BMW vehicle. By consistently applying "Design for Recycling", BMW ensures the efficient recycling of its end-of-life vehicles.

### **ENVIRONMENTALLY SOUND VEHICLE UTILIZATION.**

The recycling of end-of-life vehicles takes place in recognised dismantling plants for end-of-life vehicles. Every kilogram of car scrap is fed into the ecologically and economically optimal recovery route. Valuable raw materials are returned to the production cycle and the environment is relieved. The controlled return, pre-treatment, dismantling and recovery of the residual vehicle are the four stages of environmentally sound recycling of end-of-life vehicles.
