

THE X3 M

BMW X3 M COMPETITION
BMW X3 M40i

There's a bond
between the road, the vehicle and the driver.
The promise of an unrivalled
experience of performance.
Transforming taste into a statement.
Unique. Outstanding. Real.

Born on the racetrack and driven by the
uncompromising will to win.
Fuelled by the art of engineering
and electrified by the future.
Sustained by expressive style and
rewarding luxury. Power, pushed to the limit
and controlled to the max.
It is the ultimate homage to the driver.

This is the peak of driving.
This is a bold statement of sovereignty.
This is a celebration of taste.
This is driver and machine as one.

This is BMW M.
The most powerful letter in the world.
The ultimate BMW.

Official data for fuel consumption and CO₂ emissions were determined in accordance with the prescribed measurement procedure and correspond to European Regulation (EC) 715/2007 in the applicable version. In the event of ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exist. For more information about NEDC and WLTP measuring procedures visit www.bmw.com/wltp

This brochure describes the model, features and configuration options in vehicles available to the international/global market. There may be deviations from the features and configuration options described in this brochure, in terms of the standard and optional equipment for the model specified for the South African market. Subject to change in design and equipment. E&OE.

Of course, each vehicle is designed for economical recycling after its long-running life. You can find more information regarding your end-of-life vehicle on our website www.bmw.de/recycling
