

NEW CITROËN C5 AIRCROSS SUV

INSPIRED
BY YOU

Origins
SINCE 1919

1974

Citroën launches the CX. It's the ultimate mix of technical innovation and advanced design with the engine and gearbox positioned together under the bonnet. Sophisticated hydropneumatic suspension, concave rear screen and a futuristic dashboard allow it to succeed amongst more ordinary rivals.

1934

Citroën revolutionises the automotive landscape with Traction Avant. The famous name relates to its groundbreaking front-wheel drive engineering.

1939

Citroën launches the 'TUB', a supremely practical modern design with a sliding side door: its successor is the famous Type H above, launched in 1948.

1948

The much loved 2 CV is created as a "safe and economical vehicle, able to carry 4 people and 50 kg of luggage". More than 5 million were made.

During the 90s, Le Tone had a major hit, 'Joli Dragon', and devoted himself to music for 15 years before progressively moving towards illustrative art.

Since 2011 his creations have been exhibited in famous places such as the Pompidou centre. As an admirer of artists who know how to make the best use of colour, Le Tone confesses to having a weakness for black and white, which he is applying to tell simple stories by using felt pen drawings in notebooks.

2016

Cxperience Concept reinvents the prestige saloon. A bold, fresh silhouette, a high-end stylish interior and the latest technology combine to inspire the world of automotive design.

1955

Unveiled to a stunned public at the 1955 Paris Motor Show, DS takes futuristic design to new heights. Its stunning aerodynamic shape, created by Flaminio Bertone, earns it the nickname 'flying saucer'. Under the skin it's just as advanced.

1968

It's a golden age for light and agile vehicles like Ami 6, Dyane and Mehari, a unique design for all roads and multi-purpose use.

2017

Winners of the Manufacturers' Rally Raid World Cup from 1993 to 1997; Rally Raid World Cup Drivers' Champion five times in a row; eight Manufacturers' Champion titles in WRC plus three in WTCC... Citroën has continued to demonstrate exceptional sports pedigree upon returning to WRC in 2017.

new Citroën C5 Aircross SUV *with key strengths*

SUSPENSION WITH PROGRESSIVE HYDRAULIC SUSPENSIONS®

Exclusive to Citroën, this system delivers a real flying carpet ride.

PAGES 13

ADVANCED COMFORT SEATS

Uniquely welcoming and comfortable, these seats make the interior feel more like a contemporary lounge.

PAGES 10 – 19

3 INDIVIDUAL REAR SEATS

Welcome to the only SUV in its class with three individual full width rear seats.

PAGES 14 – 17

UNRIVALLED SPACE AND FLEXIBILITY

With individual rear seats that slide, recline and fold away altogether, this is the most flexible SUV in its class.

PAGES 16 – 19

UP TO 720 LITRES OF BOOT SPACE

Roomy and versatile, New Citroën C5 Aircross SUV has the biggest boot in its class.

PAGES 18 – 19

ADVANCED CONNECTIVITY

With improved connectivity for your personal devices, you can stay connected with your car.

PAGES 20 – 21

DRIVING AIDS

Welcome to a haven of advanced safety.

PAGES 22 – 23

elegance with presence

With a muscular profile and plenty of attitude, New Citroën C5 Aircross SUV redefines the feel of its class. Imposing and bold, it's elegantly contemporary in every detail, without a trace of arrogance. At the front, there's the unmistakable and proud double chevron design and powerful curved side panels. The 360° glazed surfaces are highlighted by a dynamic chrome 'C' motif. The rear lights feature four rectangular 3D LED modules, which emphasise the vehicle's broad stance.

the interior, refined

The moment you open the door, you'll sense it. New Citroën C5 Aircross SUV welcomes you with a rare mix of refined comfort and space. Settle in and you'll quickly appreciate the high driving position, great visibility and prestigious feel. The horizontal lines of the dashboard subtly incorporate a range of useful technology, such as the 8" touch screen. Carefully selected colours and tactile materials inspired by quality luggage and the world of travel. Gloss black details and chrome inserts emphasise the inspired attention to detail.

feel at home with 2 interior ambiances

Expressing yourself on the inside is made easier thanks to a range of interior ambiances.

The standard ambiance on Feel versions is understated and refined, with Grey Silica Cloth seats.

Refined and subtle, the Metropolitan Grey Ambiance brings you grey grained leather and graphite cloth seats with a lighter grey band, combined with a centre console and dashboard top in grey, standard on Shine version.

ALL ROUND RELAXATION

Designed to offer unrivalled comfort and wellbeing for each passenger, **CITROËN ADVANCED COMFORT®** provides the best for body and mind. Soft-touch contact points and low noise levels create a sense of calm, while interior space is designed to be stylish and really versatile. The overall ambiance makes journeys feel effortless and intuitive technology gives you fingertip control of the practicalities and unique features.

*panoramic life**

The panoramic glass sunroof makes every journey special whether it's open or closed. Filling the interior with natural light really contributes to the epic views enjoyed from New Citroën C5 Aircross SUV. Powered by two electric motors with a safe auto-reverse function, it's easy to use and also features a handy blind for fine-tuning brightness levels.

** Standard on Shine versions.*

CITROËN
WORLD
EXCLUSIVE

the flying carpet effect

Exclusively developed by Citroën, the suspension with Progressive Hydraulic Cushions® redefines pure driving comfort. Smoothing away both large bumps and minor surface imperfections, it makes New Citroën C5 Aircross SUV feel like a flying carpet. Stability and dynamics are also assured. Welcome to the best of both worlds.

bumps are history

Ordinary suspension makes do with a shock absorber, a spring and a mechanical bump stop. With Progressive Hydraulic Cushions® you get special hydraulic cushions on either side, for rebound and compression. The result is a ride that takes everything in its stride, smoothly.

When big bumps are encountered, the hydraulic cushions keep suspension movement controlled and progressive.

With minor road imperfections, the cushions simply absorb it all, giving that relaxing flying carpet ride.

CITROËN
WORLD
EXCLUSIVE

advanced comfort seats

Taking inspiration from contemporary furniture, the seats in New Citroën C5 Aircross SUV provide unmatched lounge-like comfort on the move. With broad cushions and seat backs, they combine high density foam at the heart of each seat and a thick, textured foam at the surface. Perfect support and softness are guaranteed, on the shortest trip and the longest adventures.

full sized rear seats

With three individual rear seats of the same width, New Citroën C5 Aircross SUV provides the same level of comfort and space, wherever you're sitting. With 5 different reclining positions and the ability to slide 150 mm, they are ultimately accommodating. When you need serious carrying capacity, the rear seats fold to leave a perfectly flat floor.

**Brown leather not available in South Africa.*

intelligent storage

Part of being truly comfortable when you're travelling is having a perfect place for everything you need. New Citroën C5 Aircross SUV has plenty of useful storage solutions. The large compartment under the central armrest has a section that can carry a 1.5 litres bottle, whilst the glove box and door pockets are roomy too. You'll also appreciate the large storage area at the front of the centre console.

change your space

You can reconfigure the roomy, flexible interior of New Citroën C5 Aircross SUV to suit your needs. Sliding, reclining and foldable rear seats make it easy.

BOOT VOLUME

NEW CITROËN
C5 AIRCROSS SUV
UP TO

720
Litres

room for everything

New Citroën C5 Aircross SUV has a roomy 520l boot, but this is just the beginning of the story. Move the rear seats to their furthest forward position and you've got up to 720l, giving you the most generous boot in its class. When rear seats are folded there's an amazing 1630l.

innovative driving apps

MIRROR SCREEN*

This intelligent app uses the touch screen to mirror your smartphone, displaying all driving compatible apps. Depending on your exact phone, apps can be controlled by voice, so you can keep your eyes on the road. The system is compatible with Android Auto, Apple CarPlay™ and MirrorLink®.

ConnectedCAM Citroën®**

Located at the base of the interior rear view mirror, this innovative camera system uses full HD and GPS technology with a built-in 16 GB memory card. It allows you to take photos or video footage, which you can download by email and add to your social media.

A major safety feature, it saves video recordings in the event of an accident.

** Dependent on smartphone model.*

*** Standard on Shine version.*

Safety and driver aid systems

				
<p>Ø CAN BE DEACTIVATED</p>	<p>Ø CAN BE DEACTIVATED</p>	<p>Ø CAN BE DEACTIVATED</p>	<p>Ø CAN BE DEACTIVATED</p>	<p>Ø CAN BE DEACTIVATED</p>
<p></p> <p>ACTIVE SAFETY BRAKE*</p> <p>This is a reassuring safety feature that minimises the risk of collisions. Working from speeds of 5 km, it detects both fixed or moving obstacles as well as pedestrians. If it detects a collision risk, Active Safety Brake sends an alert to the driver, and if they don't react, the system stops the vehicle automatically.</p> <p><small>*Only on Shine.</small></p>	<p></p> <p>LANE DEPARTURE WARNING SYSTEM*</p> <p>Using a camera to recognise different road markings, this system gently steers your vehicle back into the correct lane if it detects a change in direction without the indicators being used.</p> <p><small>*Only on Shine.</small></p>	<p></p> <p>DRIVER ATTENTION ALERT SYSTEM</p> <p>By evaluating changes in direction relative to road markings, Driver Attention Alert can analyse driver alertness and send a warning when necessary. It's a useful safety feature; especially on roads where the speed limit is over 65 km.</p>	<p></p> <p>ACTIVE BLIND-SPOT MONITORING*</p> <p>Really useful on multi-lane roads, this monitoring system warns you if there's a vehicle in your blind spots, using an orange LED in the corner of the door mirror. If you're heading for the detected vehicle, it will correct your position automatically.</p> <p><small>*Only on Shine.</small></p>	<p></p> <p>PARK-ASSIST</p> <p>Perfect parking in difficult spaces.</p>

COFFEE BREAK ALERT

When it's time to take a break, this system sends you a warning. It activates once you've been driving for 2 hours continuously at more than 65 km.

KEYLESS ENTRY AND START*

Convenient and ingenious, you can now lock, unlock and start your vehicle without getting your key out. The vehicle recognises you as you approach.

*Only on Shine.

ELECTRIC PARKING BRAKE

Safe and easy, the Electric Parking Brake applies automatically when the engine is switched off and releases when you move away. You can also use it manually using the control paddle.

REVERSING CAMERA WITH TOP REAR VISION*

Engage reverse and the camera displays a 180° rear view on your touch screen. Additional coloured lines make the position of obstacles clearer, and when you approach them, the camera zooms in automatically.

*Only on Shine.

HILL-START ASSIST

Designed to prevent unwanted movement when you release the brake pedal on slopes, Hill-Start Assist works on gradients over 3%. It holds the vehicle for about 2 seconds, giving you time to move calmly from brake to accelerator pedal.

FOG LIGHTS WITH STATIC CORNERING FUNCTION

Providing an additional light beam on the inside of bends, this innovation makes tricky bends and junctions safer and easier to navigate.

1.6 PureTech 121kW Turbo 6-speed auto	7.9	179

DIMENSIONS

All measurements are in millimetres.
* Width of vehicle / Width with mirrors folded.
** With longitudinal bars.

* Figures shown are for comparison purposes only; you should only compare these fuel consumption and CO₂ figures with other cars tested using the same technical standard. The fuel consumption you achieve, and CO₂ produced, in real world conditions will depend upon a number of factors: including the accessories fitted (post registration), variations in weather, driving styles and vehicle load. There is a new test WLTP (Worldwide Harmonised Light Vehicles Test Procedure) used to measure fuel consumption and CO₂ figures. The CO₂ figures shown are NEDCeq (New European Driving Cycle Equivalent), calculated using an EC correlation tool which converts WLTP figures to NEDC. These NEDCeq figures are based on the outgoing test cycle and will be used to calculate tax for the first registration. CO₂ and fuel economy figures may vary according to wheel fitment and optional extras fitted.
